CHOPPED GARLIC FRESH	(water pack) 2lb jar		1112	ea.	ea.	7.68	5.50	4.78		
We have always been concerned with the risk of using raw vegetables due to the possible inclusion of Salmonella and E-coli pathogens										
Therefore, please note the we have ALWAYS used blanched frozen vegetables in our products.										
Blanching the vegetables breaks down the first cellulous layer and makes the vegetables more digestible.										
Cats do not need any vegetables as they are true carnivores and their systems don't digest them properly.										
Some Treats										
Beef Treats are great for bait and training treats										
BEEF TREAT STICK	8oz		1227	ea.	ea.	6.53	4.92	4.28
